Point-of-Sale Perfection

LaunchPack is everyone's Point-of-Sales dream. With its hollow insides you can transport the very best of Maxibit's designer P.O.S booths. The casing is made of 100% recycled plastic and has room for among other things, literature and sample products. It's streamline design allows it to be taken anywhere.

Why LaunchPack

- All-in-one desk and transport case with inner-shelf
- Unique suitcase design for easy transportation
- Perfect Point-of- Sales with stove, music and display case variations
- Hollow transportation shells can transport products, displays etc
