

# Stage TradeFair

## Simplistic super size fabric solutions

Stage TradeFair is a tension fabric system that is easy to use and quick to set up. The various Stage TradeFair kits covers a variety of standard L-shaped booth sizes. Despite its standardization it's still flexible; add a header when you have the ceiling height for it or combine it with your other Stage systems to form larger formations.

## Specifications:

### SIZE:

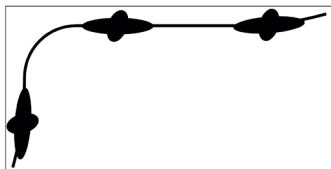

All kits are standardized for specific booth sizes;  
4x2 m, 5x2 m, 6x2 m & 7x2 m

All kits are 225 cm high (244 with lamps)

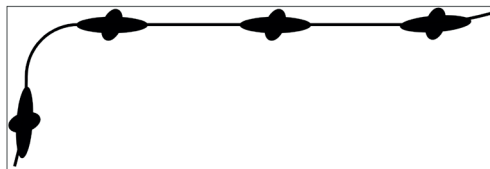

The Stage TradeFair kits can all be extended both higher and wider to serve your needs

## Why choose Stage TradeFair:

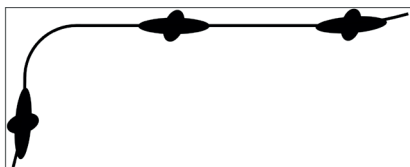

- Standard kits for corner booths
- Flexible solution – custom appearance
- Perfect for trade fair booths, public spaces, congresses, company events
- Compact to transport and gives you a huge marketing surface area
