

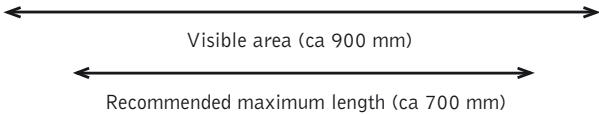

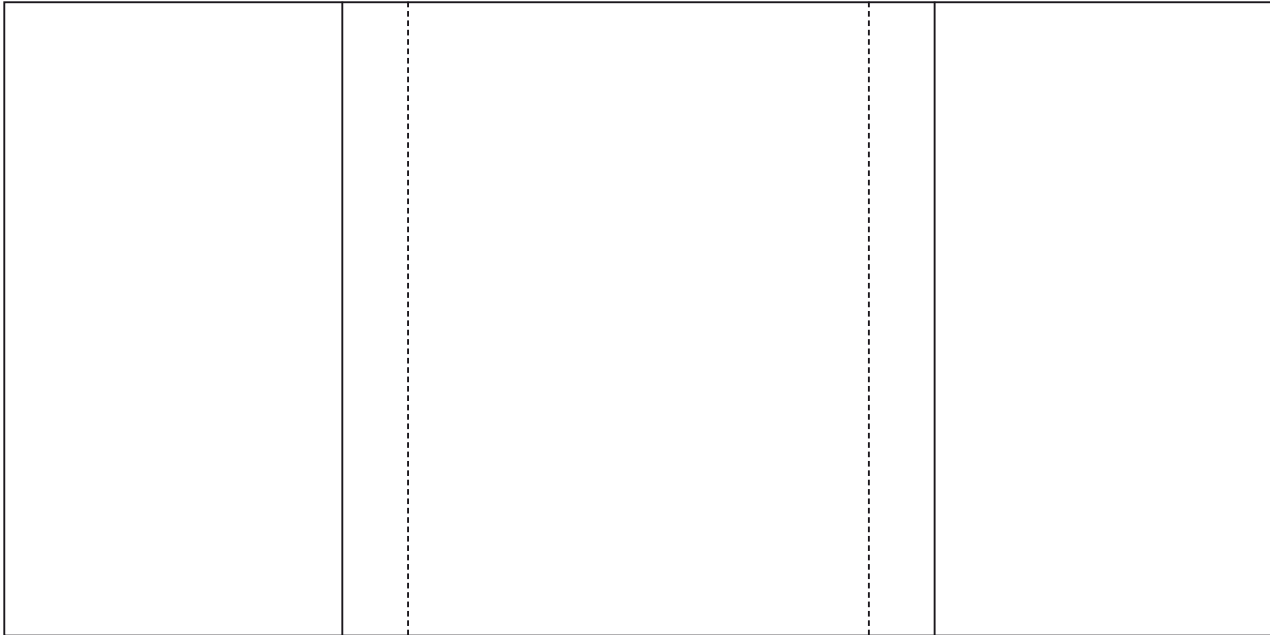

# graphic specifications

## LaunchPack – placing text on graphic panel

**LaunchPack desk 1930x950 mm (v2)**

To be able to view the logo/image fully from the front, place it in the center of the panel at maximum 700 mm width.

You can download the templates from our web site:  
[www.maxibit.com](http://www.maxibit.com). Go to tab "Tips for designers" and then to Templates.
