

Stage Ellipse

Eye catching marketing

Is a rectangular design the best choice if you want to stand out from the crowd? Maybe a creative custom shape would reflect your brand better. With Stage Ellipse you can get the custom eye catching impression with the simplicity of a standard portable large bannerstand or small backdrop. The size is equivalent to a pop-up or three rollups and is perfect for any small event. The complete unit, including graphics travels in a handy shoulder bag. Stage is patented. No tools needed.
