

LightScape

It's hip to be square

Light up your brand with LightScape. It's a mobile aluminium textile lightbox stretch fabric system. The LightScape frames are, perfectly suited for efficient trade fair construction and mobile promotion due to their lightweight, snap-fit interlocking design frame. The invisible preinstalled interior bright LEDs brings attention to your message. Like all Maxibit products all components can be assembled without tools and is so intuitive it requires no experience.
