

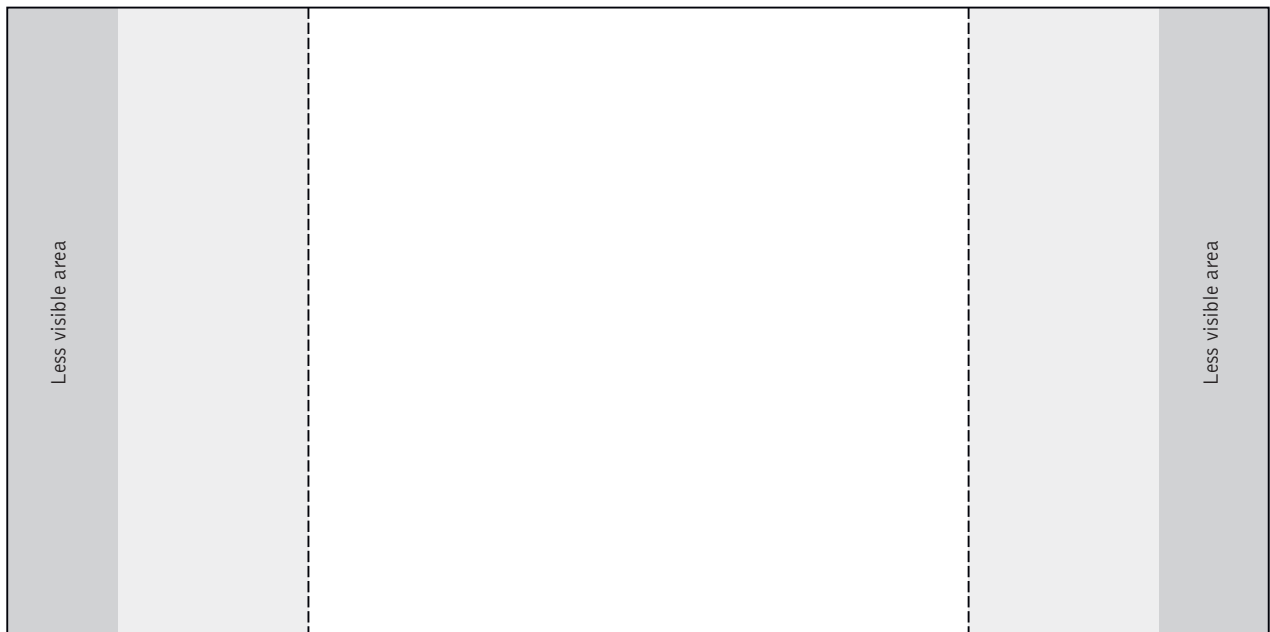

# graphic specifications

## CounterCase – placing text on graphic panel

**CounterCase**  
**1720x860 mm**  
**67.7x33.9"**

To be able to view the logo/image fully from the front,  
place it in the center of the panel at maximum 900 mm / 35.4" width.

When a logotype or image is placed between the  
guidelines it will be fully visible from front  
(ca 900 mm / 35.4")
